Escrow accounts can be used for any scout activity fee (i.e. – camping, pancake ticket requirement and registration) or for items purchased from a scout store or catalog. With prior approval from a Scout Leader, escrow money can be used for appropriate camping gear.

One of the following Scout Leaders, prior to reimbursement, must sign off all escrow requests: troop treasurers, committee chair, scoutmaster, or age specific lead scoutmaster.

If you are not sure a purchase qualifies for escrow reimbursement, check with a Scout Leader first.
