

BSA TROOP 505 - Troop Store

The Troop Store is open during the first troop meeting of each month, in the upper hallway outside Fellowship Hall, from 7:15 to 8:00 pm,. The purpose of the Troop Store is to provide access, on a regular basis, to used scout uniform items, and other new troop items. Payment can be made from the scout's escrow account, by check to "BSA Troop 505", or with cash. All items are sold on an "as available" basis, except name tags, which will be ordered, and then placed in the scout's mailbox when they arrive. New items are sold at the current troop price, as set by the committee, and used uniform items are sold at half the current BSA price. When scouts use the shop to resale their old uniforms, they will receive half of the sale price into their escrow account.

Uniform Consignment:

All uniforms for consignment must be serviceable, clean, and labeled with the Scout's first and last name. The Scout will turn in the clothing item to the Troop Store and they will in turn be given a receipt. The clothing item will go on consignment until the Scout leaves the Troop. At that time, the clothing item will then be donated to the Troop, unless the Scout requests the return of the item. If a consignment item is sold, half of this reduced price will be credited to the donor Scout's escrow account, and the other half goes to the Troop.

Bulletin Board

A "Bulletin Board" will be available for Scouts wishing to sell other scouting and camping items not sold by the store (such as boots, sleep bags, backpacks, personal tents, etc.) Scouts will post a description of items they wish to sell and the price they are asking. The seller will include their name and phone number, so buyers can call them directly, or they may leave instructions for the buyer to leave their name and phone number. Items will not be stored by the store, nor will the store be responsible for the items sold. The Troop Store shopkeeper will be a liaison only.
