**Please note that these selections are not guaranteed.** The camp will tell you when you arrive if you'll be able to work on these badges. If not, you will be given a chance to sign up for other badges. We are signing up early so we're hopeful that the selections will work out as planned.

**You must bring proof to summer camp that you have completed any pre-requisites.** This is very important since the camp will only provide a partial merit badge if you can't prove you have completed the pre-requisites.

**Please complete and submit by one of the following methods on or before April 8:**
